We, Nabertherm GmbH, Bahnhofstr. 20, 28865 Lilienthal, Federal Republic of Germany, herewith appoint that due to the unnecessary and terrible war in the Ukraine we stop all business activities for the moment and for the nearest future.

During this time we won't offer any furnaces or spare parts.

For open orders we can check for an export permission at German export authorities BAFA. However, specially at the moment and due to a very high workload at BAFA the response time will be probably several months.
